

Thank you, for renting our cozy little home-away-from-home! Please, treat this home as you would your own. There is a stackable washer and dryer available for use.

Please, don't use the wood stove, unless the power is out. We have also provided candles in all of the rooms in case of power outages. Power outages are rare unless there is a storm.

### Cleaning:

If you use the Stove, Microwave, Dishes, or Sink, please, clean them up when you are finished. There are cleaning supplies in the Utility Closet (next to the washer/dryer). Wash the linens and blankets at the end of your stay and make sure that the rooms are as you arrived. The vacuum, broom, and Swiffer are also in the Utility room. Please vacuum all carpeted areas and sweep/Swiffer the Kitchen/Dining area and the Bathroom. Extra linens are available in the "Trunk" in the living room. Please, do not leave any perishable foods/items and take out any garbage containing perishable items.

### Emergencies: if needed call -911-

#### Hospitals -

The closest hospital is in Nehalem Bay, about 8 Miles north on Hwy 101. It is an Urgent Care Facility called Tillamook Medical Group (M-Th 8-6 Fr 8-3 Closed on Sat/Sun), the closest 24Hr ER is in Seaside (32 Miles North (about a 45 minute drive)). Google showed one more 24hr Doctor in Tillamook "Emergency Department: Bowman Mark R MD (503) 842-4444"

#### Supplies -

There are some non-perishable foods to use in case of emergency. If you use the non-perishable foods, please replace them before you leave, or you can add the cost to the stay so we may replace them in case of another emergency.
